

Teamsters Local 251 Epic Update Meetings

Saturday, November 22 • Noon & 4 pm • Local 251 Union Hall

Management is required by law to negotiate with your union about Epic's affects on Teamster employees.

On Saturday, Nov. 22, we will hold two Epic Update Meetings at noon and 4 pm at the Union Hall, 121 Brightridge Ave, East Providence.

All members who may be affected by Epic are invited to attend one of the two meetings.

These meetings will be your chance to find out what Local 251 has learned and how negotiations on Epic implementation have gone so far.

Get informed and share your questions and concerns with your co-workers and Union leaders.
